

Early Years
Foundation Stage
Planning

This month sees us finishing off our traditional stories with The Three Little Pigs, Cinderella and The Emperor's New Clothes. The role play is all ready for Cinderella house and there are lots of creative activities planned. We will finish for the half term break celebrating Chinese New Year.

The Pre School aged children have been taking part in 'My First Poem' and with the help of a template created their own poems. These are being sent off now to see if we can win the Poetry competition or get published!!

We've been busy with the construction materials; play doh, making edible houses and junk modelled houses and doing some fantastic numeracy and literacy work. If you would like any more information on the EYFS or have any questions at all - please speak to Jenny or email jenny.mcdonald@croftpreschool.com

Diary Dates

- 16/2/18 Chinese New Year - Dog
- 1/3/18 World Book Day

- 30/3/18 Easter Weekend

For further information - don't forget our website www.croftearlyyears.com and Facebook link. You can find diary dates, reminders, updates and photographs on both these sites.

Charity Trustees

We are delighted to let you know that Helen Broster, Paul Sephton, Chantelle Hughes and Becci Blakely have agreed to be Trustees for our Charity. Our current Trustees have been in post for the last FIVE years and were happy to step down from this position. We cannot thank Kate and Hazel enough for all their work and support during this time. We really could not have relocated, purchased our building and completed all the legal documentation that went with this without them.

To contact our Trustees - please email on trustees@croftpreschool.com

THANK YOU
Kate and Hazel!!

Staffing Update

Liz Brown and Carrie Divers have joined us as bank staff to cover for staff training and any staff absences. Liz has worked at Glazebury Pre School for over 15 years and Carrie joins us while she studies at College. Liz and Carrie's photographs will be on the website shortly and you will see them in the setting over the next few weeks.
